

Department for Education News May 2018

We are delighted that a number of our qualifications were recently approved by the Department for Education (DfE) for inclusion in the 2020 performance points tables

As some of these qualifications were already live, to avoid confusion with the DfE approved versions we have re-regulated the affected qualifications with different qualification regulation numbers and their titles have been amended to reflect their 'Technical' status.

Please check the table below for information and make sure you register your learners on the **correct** version:
