An abstract graphic design featuring overlapping geometric shapes. A large, dark purple pentagon is the central focus, with a lighter purple pentagon behind it. White lines connect the vertices of these shapes, forming a network of lines. Two small white circles are placed at the top-right and bottom-right vertices of the outermost shape.

# Supporting Teaching and Learning The Full Offer

As market leaders in this sector we are proud to offer a wide range of Supporting Teaching and Learning qualifications. We are also proud to have been the first to market with a broad range of innovative new qualifications that are fresh to the sector and support current government agendas.

In order to ensure choice for our centres and learners, and in this time of uncertainty with apprenticeships, we have listened to our centres and are running both our legacy and new Supporting Teaching and Learning qualifications alongside each other until the apprenticeship framework closes in 2020. At this point the newer qualifications will supersede their legacy versions.

The information in this document will help you choose the best route for your learners.

“ These qualifications hold the key to unlocking so many doors, and I know personally if I had not decided to gain my CACHE qualifications, my career would be very different. ”

Level 3 Diploma in Specialist Support for Teaching and Learning in Schools

### NEW

#### NCFE CACHE Level 1 Award in Preparing to Work in Schools 603/2477/6

This qualification is part of our new suite developed in 2018 and prepares learners for further learning and training whilst developing an understanding of the teaching and learning environment in a school setting. It covers areas such as how to support the well-being of a child or young person and child and young person development. This qualification is aimed at a range of learners who are thinking of working in a school setting including: young people, mature learners, learners with special educational needs or where English is an additional language.

### NEW

#### NCFE CACHE Level 2 Award in Support Work in Schools and Colleges (603/2478/8)

This qualification is part of our pioneering new suite of Supporting Teaching and Learning qualifications, developed in 2018, and is an introduction to the knowledge and understanding needed to work in a school or college environment. It applies to the many varied roles that full and part-time support staff may fulfil including: administrative roles, site support roles, technical roles and volunteers, as well as roles that work directly with children and young people in the learning environment.

Our newer qualifications include a wider scope of age ranges including learners providing support in colleges, therefore the age range has been amended from 5-19 years old, to 5 years and above. This provides the learner with knowledge of working with different individuals in different settings, such as adults who have SEND within a college environment.

### LEGACY

#### NCFE CACHE Level 2 Award in Support Work in Schools (500/9964/4)

This qualification is an introduction to working in primary, secondary or special schools. It covers the many varied roles that full- and part-time support staff may fulfil including administrative roles, site support roles, technical roles and volunteers, as well as those roles that work directly with children and young people in the school environment. It does not cover college settings.

### NEW

#### NCFE CACHE Level 2 Certificate in Supporting Teaching and Learning (603/2476/4)

This qualification is part of our pioneering new suite of Supporting Teaching and Learning qualifications and is perfect for Level 2 learners who will be registering on this qualification as standalone, outside of an apprenticeship. This qualification is newly developed (2018) and includes up to date legislation and content.

Our newer qualifications include current agendas such as radicalisation, mental health and e-safety, and the scope of our newer qualifications has been changed to include learners providing support in colleges, therefore the age range has been amended from 5-19 years old, to 5 years and above.

This provides the learner with knowledge of working with different individuals in different settings, such as adults who have SEND within a college environment.

The structure is simple with mandatory units only to support all-round knowledge and skills for future employment in different learning environments.

## LEGACY

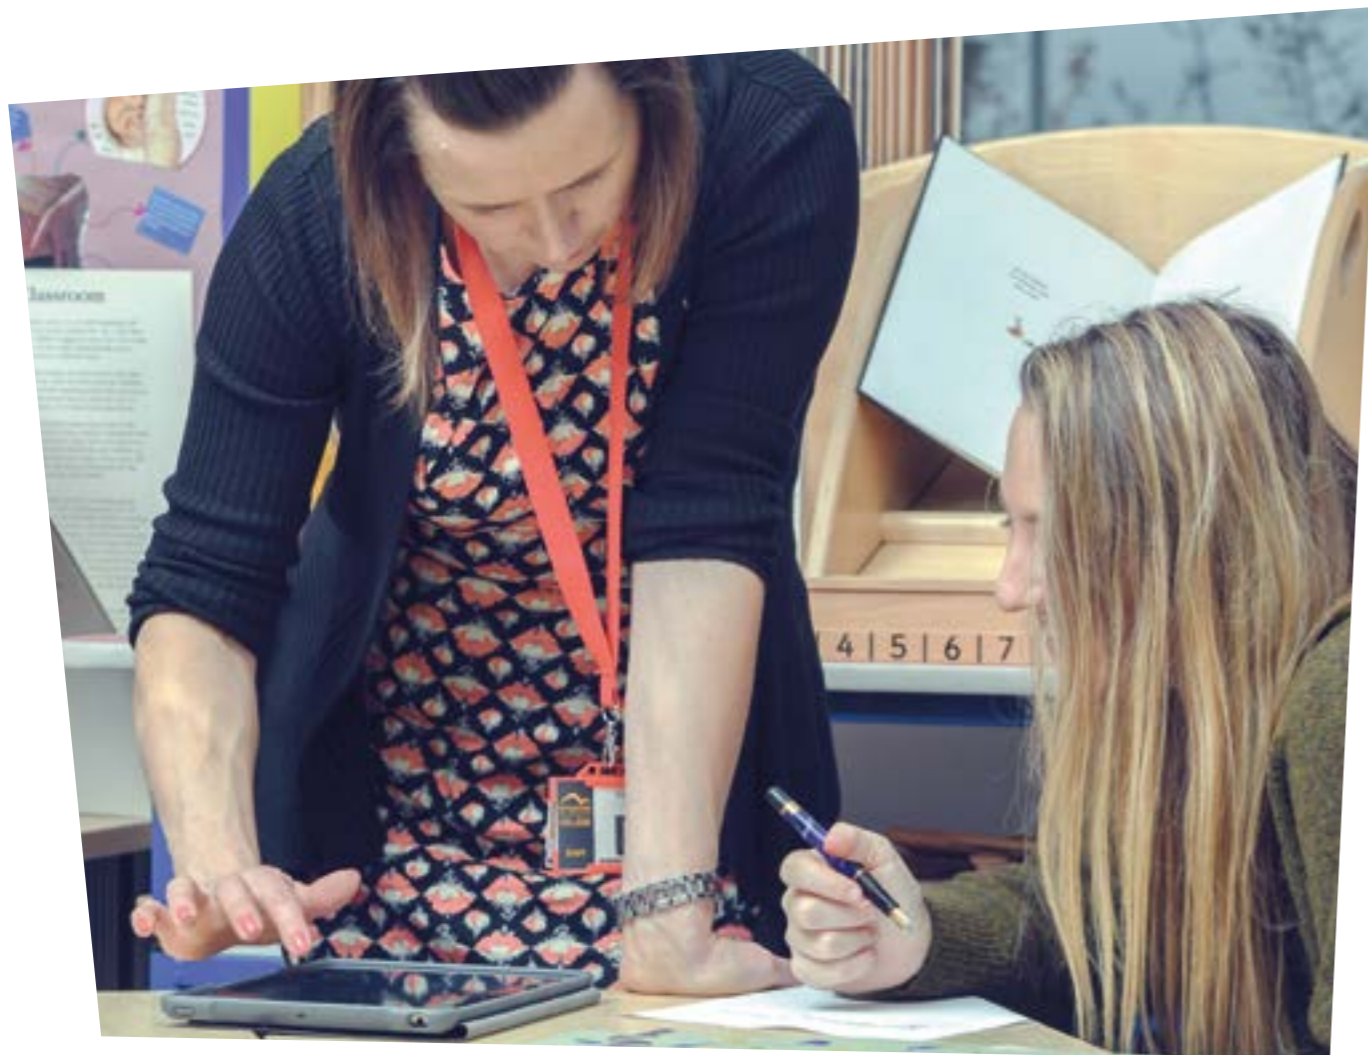

**NCFE CACHE Level 2 Certificate in Supporting Teaching and Learning in Schools (501/0031/2)**
